Greetings from MDI Murshidabad!

I have seen the Management Development Institute (MDI), Murshidabad grow from a seedling to become a sprawling tree that it is now. As a result, I am filled with immense pride when I express in complete cognizance of the fact that it wouldn't have been possible without the dedication shown by our stakeholders including students, members of faculty, and members of staff of our beloved institution.

It is with elation that I say that we have been able to achieve excellence in various spheres in a short span of time, on the back of our concerted and relentless efforts. Of the many laurels, we have had the honour of receiving in the past years, few recognitions presently merit recounting. In pursuance of our commitment to excellence, we received A\*\* (A double star) grading at National Level and A\*\*\* (A triple star) grading at State Level from the premier rating agency CRISIL for the year 2021-22. ## Education Drive

Prayas, the social responsibility cell of MDI Murshidabad organized an education drive in kulori for villagers with weekly education classes for students. Every human being needs to have side which leans towards social responsibility. Fortunately our CSR team got a wonderful opportunity to act as a stimulus to bring out this side of ours students. It was a social welfare activity in the form of education Awareness Campaign arranged by our mentor, Dr. Niharikan Gaan in collaboration with NGO Charsha which is primarily into rural primary school ambidexterity Mission located at Chandni Chaukhat, Jangipur, West Bengal. Our activity began with addressing and demonstrating the benefits of education to the parent and guardians of the children. We even made them aware of all the scholarship scheme and educational loan plans that can be availed, we were filled with pity and grief when we learnt how the children lived the day. All they could do in their leisure was to make bidis to add revenue to their family occupation which seems to be minuscule and something which the children should not be exposed to at such an early stage of their lives. In reality, the situation looks worse with education being considered secondary. They usually study in their leisure hours. We tried our best to instil some hope among parents to let their children study beyond matriculation as opposed to their current trend. Convincing them was challenging but the best part was achieved when we interacted with the students. We were awestruck to find those little gems, reciting beautiful poems. To our delight, the poems were not just in Bengali, but in Hindi and English as well. We gave each one of the chocolates and biscuits as a token of encouragement. We lifted up their spirits so that they start considering education to be the primary thing in their lives and to take their first step towards a bright future.

## **PRAYAS – CORPORATE SOCIAL RESPONSIBILITY CLUB**

Murshidabad district being one of the least developed districts in west Bengal state is surrounded with innumerable social issue. Predominant social issues are poverty, illiteracy, high crude birth rate, lack of health and hygiene facilities. In such state of bleak social condition, it becomes inevitable for any organization to work towards upliftment of the society through certain philanthropic activities. The students at MDI Murshidabad have taken a crusade in eradicating such issue through the socially responsible (SR) committee named as 'Prayas'. It is primarily student driven. It has taken small measure till date by collaborating with local NGOs in conducting various knowledge awareness campaigns in neighbouring villages of Raghunathganj.

The club has taken initiative to design personality development module for the outsourced workers of the campus like canteen staff, security guards, gardeners, and house-keeping staff. Various personality development sessions were organized in the campus which aimed at providing them with basic knowledge of English and soft skills. The committee has even organized blood donation camps, in which the students participated with great zeal and enthusiasm. It made posters depicting eco-friendly surroundings of the campus which will instill a sense of responsibility in the students about saving electricity and keeping the campus clean and green. The club also organized social awareness campaigns in nearby villages which were aimed at spreading awareness among villagers about new government scheme like BETI BACHAO BETI PADHAO, PRADHAN MANTRI KAUSHAL VIKAS YOJNA and many other social schemes. The committee also addressed the issue of child labour in nearby villages as it is a major problem in this area. Through our campaigns, we have lifted up the spirits of workers of the campus and villagers and will continue to do so in future.

## **BLOOD DONATION CAMP**

The Social Responsibility committee, Prayas in partnership with Jangipur Super Specialty Hospital sponsored by HDFC bank was successful in organizing another biannual Blood donation camp at MDI, Murshidabad. The motto was clear, donate today and save someone tomorrow. 70 donors including students, faculty and staff members took part actively in this noble cause. From the obligatory cleanliness to post donation nutrition, Prayas took care of everything in quite an efficient manner. We would like to thank the hospital members for their constant care and support toward the students and everyone who came in to donate. A big thank to HDFC bank also for their sponsorship which made the event possible.
